

**Ground Fault Immune ESP Monitoring System**  
eliminating common sensor failures due to earth leakage

2012

2012

Northern Star Business Awards **Commitment to Innovation in R&D Winner**

Z-Sight shortlisted as finalist in **World Oil Awards: Best Production Technology**

**Z-Sight technology field-proven** in middle east and south america

awarded **Queen's Award for Enterprise** in international trade for 2nd time

2011

2011

**\$100M** of equipment sold

awarded **Best SME300 Newcomer** recognising potential for future growth

included in Sunday Times **International Track 100** recognising sales growth

Greg Davie, MD, wins **Scottish Entrepreneur of the Year** regional award

first major **Sub-Sea Completion** in Asia/Pacific

**Extreme-Temp Monitoring System**  
extends previous hi-temp technology boundaries

2010

2010

relocate head office to new **Purpose-Built Facility**

awarded **Queen's Award for Enterprise** in international trade

acquisition of **Ziebel UK Monitoring Group** strengthens R&D capability

zenith working in **30 Countries**

**TECHNOLOGY** TIMELINE

**Z-Sight Automated Well Surveillance**  
enables online surveillance and wellsite auto-optimisation

2009

2009

**Z-Trendz Data Management Suite**  
takes operator efficiency to the next level

**Hi-Temp Monitoring System**  
provides continuous data from challenging environments

**Quartz Monitoring System**  
delivers reliable, accurate reservoir data at high temperatures

2008

2008

**Slimline Dual Pod System**  
overcomes production challenges in west africa

OILFIELD TECHNOLOGY LTD

**COMPANY** TIMELINE

monitoring and completion systems take equipment into **China**

representatives placed into **Asia & North Africa**

zenith enter **Russia**

zenith achieves **ISO 9001** certification

2007

2007

**PCP Protection System**  
protects from common PCP problems

zenith enter **South America**

first wireline-retrievable auto flow valves bound for **Asia**

zenith expand into **Saudi Arabia & Kuwait**

2006

2006

zenith gains strength winning approval from **PDO, KOC & Saudi Aramco**

first **Auto Flow Vales** delivered to middle east

first c-series **Permanent Gauge** deployed in gas lift well

**Auto Flow Valve**  
unlocks increased production and defends from pump damage

2005

2005

middle east representative placed in **Gulf Region**

**Next-Generation ESP Bypass**  
halves prior industry installation times

**E-Series ESP Monitoring System**  
offers an independent alternative for production optimisation

2004

2004

four industry professionals combine knowledge and experience to form **Zenith**
